

NOTICE IS HERBY GIVEN

In Accordance with NCGS 160A-278, The Smithfield Town Council at its November 10, 2020 will consider conveying the following property to the Smithfield Selma High School's Fire Science Program:

- 2 Survair Panther/Warb-HP air packs
- 4 Survivair Panther face masks
- 4 Survivair 4500 psi composite air bottles

The Town of Smithfield finds that the public will benefit from the conveyance of the property described above because it will increase graduation rates and the potential for graduates to become Smithfield Firefighters. It also benefits the Town as better training increases fire safety and the safety of future Firefighters
