Downtown Municipal Service District Overview

The Town of Smithfield is soliciting proposals from qualified agencies to partner with the Town to provide enhanced services in the Downtown Smithfield Municipal Service District (MSD). In September 2015, the NC General Assembly adopted legislation impacting the process by which cities contract with private agencies to provide services within a MSD. The legislation also outlines certain contractual requirements including specifying the purposes for which Town funding is to be used in the MSD and appropriately accounting for the funding at the end of each fiscal year.

The Town of Smithfield desires to partner with a non-profit that has experience managing a Downtown Municipal Service District/Main Street program in a manner that positively positions downtown Smithfield as an attractive, vibrant destination for those who work, play, and live within the Municipal Service District through provision of services that follow and utilizes the Main Street® philosophy and Four Point Approach® of Organization, Design, Promotion and Economic Vitality in its downtown revitalization efforts to enhance its status as a North Carolina Main Street community.

Program activities should result in a downtown that experiences increased marketing of downtown, reductions in building vacancy, increases in business activity, property values, and the number of downtown residents.
