The routines feature interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat. Add some Latin flavor and international zest into the mix and you've got a Zumba® class! From: [www.zumba.com](http://www.zumba.com) \*Friday Night Zumba is 1.5 hours long\*

**CYCLING** -Experience an amazing cardio, fat-burning workout that begins with a warm-up and includes rolling hills intervals, steep climbs, flats, sprints and more! You'll burn a lot of calories, increase lower-body strength and cardiovascular endurance. Bike resistance is self-adjusted so you can choose your own intensity level! **BIKE #'s are LIMITED!
