Glazing 101

October 8, 2022; 10:00AM-12:00PM

Do you need to brush up on your basic glazing skills? Join us as we cover all the types of glazes found in our studio, the difference between dipping and brush on glazes, layering glazes for different color effects and more. This workshop is designed for those that have taken a class and still feel they need more information on the glazing process and technique.

Beyond the Bucket

October 29, 2022; 10:00AM-12:00PM

Take your glazing to the next level. Learn techniques that step outside your basic dipped or brushed on glazes. In this workshop you will learn about underglazes, slips and the art of sgraffito.

Beyond the Bucket Even More

November 12, 2022; 10:00AM-12:00PM

Let's learn some more glazing techniques that will expand your glazing skills. Come learn how to do bubble glazing, slip trailing and dried glaze chip glazing!
